

Key staff contact details

Protocol for communication: We aim to work in partnership with you and there may be times when you wish or need to contact the College directly. As a large College, it is important that we provide the best possible service for parents and students by using our staff efficiently. At your child's primary school, you may well have become used to discussing a wide range of matters with the Headteacher; at Medina we have a large, well-qualified staff and we would ask you to consider which person is best placed to deal with an issue. To help you decide, a summary of the main responsibilities of various staff are as follows:

Form Tutor: The form tutor should be the first point of contact for both students and parents, as they will know your child best. The form tutor sees his/her form for registration every day and is the person who has a personal and direct responsibility for all members of their form (email address for Form Tutors are on the following page).
