

Head of School's update

Karen Begley, Head of School

It has been an exciting day at Medina today. We have hosted the Newport Primary Olympics! Well done to the PE staff and Mrs Tuck for her organization of what has been a fantastic day for the Year 5s competing. We had over 500 primary school children from 7 different schools attending. Our student ambassadors supporting were excellent and a credit to the school – without them the event could not happen.

It has been another busy week of GCSE exams. Today we had the final English and History papers. Next week sees the end of the core exams with one more Mathematics paper and the final two Science papers. I am so proud of our Year 11s. Their attitude and resilience has been excellent. Their leavers' assembly will be after the Science exam on Wednesday and will finish at 2.15pm. Year 11 students will leave the school site after their assembly. If you want your child to remain in school until 3.30pm, then please return the completed reply slip at the bottom of the letter that has been sent home (a copy is available on our website or from main reception).

On Wednesday this week, we hosted the BAE Roadshow for all Carisbrooke and Medina Year 7 and 8 students. The aim of this event was to encourage student engagement in STEM activities (Science, Technology, Engineering and Maths) and the feedback from our students was incredibly positive. Many thanks to Naomi Smy, our Federated Careers Officer, for organising this spectacular opportunity for our students.

Well done to Sebastian Darlaston-Jones 7A and George Terry 7G who have been selected to represent the Solent Junior Devils Ice Hockey Club in a tournament at Sheffield. Good luck to them both.

Exciting news: all of our Year 7, 8 and 9 students are now CPR (cardiopulmonary resuscitation) trained. This is a lifesaving medical procedure that is given to someone who is in cardiac arrest. A massive thank you to Mrs Barry for her hard work and commitment in achieving this!

We have our Year 6 Parents' evening next week on Tuesday 12th June, and are very much looking forward to meeting the new parents and students who will be joining us in September.

Well done to the top house point achievers for last week. In Year 7 Amber Wetherall, Year 8 James Holloway, Year 9 Ruby Brandish and Year 10 Adam Grey.

Diary Date:

Tuesday 12th June 2018
Year 6 Parents'/Carers' Evening.

Friday 15th June 2018
Year 11 Leavers Assembly.

Tuesday 19th June 2018

Special Diet / Allergy Form

Caterlink are committed to provide meals for children needing special diets for medical and cultural requirements, where possible. We work closely with our suppliers and aim to be as accurate as possible but it must be noted that we can only be guided by the information the suppliers provide, similar to the process of a parent catering for a special diet.

It is essential that all parties concerned work together when providing a safe special diet and that this is reviewed with every menu change. Therefore please ensure this form is fully completed. If parents and Headteacher are happy, we will also display a 'Food Allergy Record Sheet' and photo of child on kitchen wall near servery.

It is vital that all forms are accompanied with a referral letter from a medical professional (G.P/ consultant /dietician), It is important the unit manager and kitchen team or servery supervisor have met the child requiring the special diet to ensure they give the right meal to the right child. This form should be handed into the school and discussed with them in the first instance.

Child's Name									MALE / FEMALE	
Class										
Date form issued to the school and to who										
Diet required or Allergy information <i>please tick</i>	<input type="checkbox"/>	Peanut	<input type="checkbox"/>	Milk	<input type="checkbox"/>	Crustacean	<input type="checkbox"/>	Soybean	<input type="checkbox"/>	Fish
