Dear Parents and Carers

Year 11 Revision Evening - Wednesday 7 October

We would like to invite all Year 11 students and their parents/carers to our Year 11 Revision Evening on Wednesday 7 October 5pm - 6.30pm.

Year 11 is a significant stage in every student's journey. The choices, habits and effort students establish now will help shape both their exam outcomes and the opportunities available to them beyond Medina.

The evening will focus on helping students feel informed, prepared and confident about the year ahead. We will cover effective revision techniques, examination expectations, preparation for trial exams, key dates and milestones, and how families can support students at home. We will also look ahead to post-16 choices and pathways, including a presentation by The Island VI Form, our Keystage 5 provision.

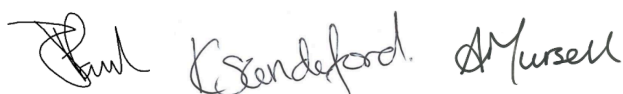

Our message to students is clear: there is still a great deal of time to make a difference, but the time to start is now. Successful revision is not about last-minute preparation; it is about building strong habits, using time well and taking responsibility for the next steps towards individual goals.

The following week on 13th October, students will attend our 'Your Future' Careers Fair, where dozens of post-16 providers will be available to discuss VI Form, college, apprenticeships, training and future careers. Please find attached a [flyer](#) with additional information. The event will be open to parents/carers between 3pm and 3.45pm. Parents/carers are asked to book. Together, these two events will help students connect the work they are doing now with the possibilities ahead.

We strongly encourage all Year 11 students and their parents/carers to attend. Working together, we want every student to approach the year ahead with ambition, confidence and a clear sense of purpose.

We look forward to welcoming you on Wednesday 7 October.

Yours faithfully

Mrs J Paul, Mrs K Sandiford and Mrs A Mursell
Executive Headteacher and Co-Heads of School
