

9 October 2026

Dear Parents and Carers

Year 11 Revision Evening

We hope you found the Year 11 Revision Evening, held on Wednesday 7 October, useful and informative, and that it provided you with a clear overview of the journey ahead for your child during this important year, as well as the support available to them. This is just the beginning of the journey, and the small steps taken now can make a significant difference to your child's success and their chosen post-16 pathway.

If you were unable to attend the evening, or would like to revisit the key messages and information shared, you can find all of the resources on the school website under the 'Year 11 Support' page: <https://www.medina.iow.sch.uk/year-11-support>. This page will be updated throughout the year with key information, guidance and resources to support your child. We encourage you to visit the page regularly to see what support is available and to help your child make the most of the opportunities on offer.

We are also pleased to share details of the revision and coursework sessions taking place during the October half-term. The sessions available are listed below. We strongly encourage your child to attend the relevant sessions and take these important early steps towards achieving their best possible outcomes in the summer.
