

Results Day Information for Students

Results will be available for collection on **Thursday 21st August 2025**. They can be collected from the canteen between **9am and 12 noon**.

Alternatively, if results are not collected by the end of results day, they will be posted to students to the address we hold on our school database.

Post results review

*If you are unhappy with your results you may wish to request a review of results, request access to your script, or appeal (only available after review of results). We will be running a surgery for this on **Friday 22nd August 2025 between 9am and 12 noon**; all students have the opportunity to follow these procedures through the school.*

The following services will be available from the exam boards:

- **Copy of script to support a review of marking (Access to script)** - This is a service that allows decisions to be made whether a review of marking should be applied for.
- **Clerical re-check** - This is a re-check of all clerical procedures and checks that all parts of the script have been marked, a correct totalling of marks and a correct recording of marks. A copy of the marked script can also be requested.
- **Review of marking** - Reviews the original marking to ensure that the marks scheme has been correctly applied and correct any errors. The reviewer will **not** re-mark the paper. A clerical re-check is included in this service.
- **Appeals**

Please note that there is a cost for these services, which will be available on results day.

- On results day please do not leave school until you have had the advice that you require; we will be here to help from 9am to 12pm.
- If in doubt or in need of advice about exams or post-results services, please email the exams officer on medinaexams@medina.iow.sch.uk
