

Results Day Information for Students

Results will be available for collection on **Thursday 20th August 2026**. They can be collected from the canteen between **9am and 12 noon**.

Alternatively, if results are not collected by the end of results day, they will be posted to students to the address we hold on our school database.

Additionally, as already advised they will be accessible on the DfE Education Record App from 11am on Results Day. If you have not yet registered for the App, this can be done on the morning of results day, in school between 9am and 10.30am on Friday 24th July, or by appointment w/c 10th and w/c 17th August.

Post results review

*If you are unhappy with your results you may wish to request a review of results, request access to your script, or appeal (only available after review of results). We will be running a surgery for this on **Friday 21st August 2026 between 9am and 12 noon**; all students have the opportunity to follow these procedures through the school.*

The following services will be available from the exam boards:

- **Copy of script to support a review of marking (Access to script)** - This is a service that allows decisions to be made whether a review of marking should be applied for.
- **Clerical re-check** - This is a re-check of all clerical procedures and checks that all parts of the script have been marked, a correct totalling of marks and a correct recording of marks. A copy of the marked script can also be requested.
- **Review of marking** - Reviews the original marking to ensure that the marks scheme has been correctly applied and correct any errors. The reviewer will **not** re-mark the paper. A clerical re-check is included in this service.
- **Appeals**

Please note that there is a cost for these services, which will be available on results day.

- On results day please do not leave school until you have had the advice that you require; we will be here to help from 9am to 12pm.
- If in doubt or in need of advice about exams or post-results services, please email the exams officer on medinaexams@medina.iow.sch.uk
