1. Aims

Our school aims to:

- Have robust, clear processes in place for charging and remissions
- Clearly set out the types of activity that can be charged for and when charges will and will not be made
- Offer a range of activities and visits whilst minimising the financial barriers that may prevent some pupils from taking full advantage of these opportunities

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449 to 462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

This policy complies with our funding agreement and articles of association.

3. Definitions

Charge: a fee payable for specifically defined activities

Remission: the cancellation of a charge which would normally be payable

4. Roles and responsibilities

4.1 The governing board

The governing board has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the headteacher.

The governing board also has overall responsibility for monitoring the implementation of this policy.

4.2 Headteachers

The headteacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

4.3 Staff

Staff are responsible for:

- Implementing the charging and remissions policy consistently
- Notifying the headteacher of any specific circumstances that they are unsure about or where they are not certain if the policy applies

The school will provide staff with appropriate training in relation to this policy and its implementation.

4.4 Parents/carers

Parents/carers are expected to notify staff or the headteacher of any concerns or queries regarding the charging and remissions policy.

5. Where charges cannot be made

Below we set out what we **cannot** charge for:

5.1 Education

- Admission applications
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment). Unless the student is above 19 years of age.
- Education provided outside school hours if it is part of
 - The National Curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent/carer
- Entry for a prescribed public examination if the pupil has been prepared for it at the school
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school.

5.2 Transport

- Transporting registered pupils to or from the school premises, where the local authority (LA) has a statutory obligation to provide transport
- Transporting registered pupils to other premises where the governing board or LA has arranged for pupils to be educated
- Transport that enables a pupil to meet an examination requirement when they have been prepared for that examination at the school
- Transport provided in connection with an educational visit

5.3 Residential visits

Education provided on any visit that takes place during school hours

Education provided on any visit that takes place outside school hours if it is part of:

- The National Curriculum
- A syllabus for a prescribed public examination that the pupil is being prepared for at the school
- Religious education

Supply teachers, covering for teachers who are absent from school, accompanying pupils on a residential visit

6. Where charges can be made

Below we set out what we **can** charge for:

6.1 Education

- Any materials, books, instruments or equipment, where the child's parent/carer wishes the child to own them
- Optional extras (see section 6.2)
- Music and vocal tuition, in limited circumstances (see section 6.3)
- Certain early years provision
- Certain Post 16 provisions
- Community facilities
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school **and** the pupil fails, without good reason, to meet any examination requirement for a syllabus

6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment. The following are optional extras:

Education provided outside of school time that is not part of:

- The National Curriculum
- A syllabus for a prescribed public examination that the pupil is being prepared for at the school
- Religious education

Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school

Transport (other than transport that is required to take the pupil to school or to other premises where the LA or governing board has arranged for the pupil to be provided with education)

Board and lodging for a pupil on a residential visit

Extended day services offered to pupils (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents/carers are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate. Parental agreement is necessary for the provision of an optional extra that is to be charged for.

6.3 Music tuition

Schools can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent/carer.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

- If the teaching is an essential part of the National Curriculum
- If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme
- For a pupil who is looked after by a local authority

6.4 Residential visits

We can charge for board and lodging on residential visits, but the charge must not exceed the actual cost. A non-refundable deposit will be required to secure a place on the trip. A deadline date for the payment of the total cost of the trip will be notified to parents. Failure to pay by the deadline date may mean that the child cannot attend the trip. If a child is unable to attend the trip due to ill health, it may be possible to access a refund, if this can be done through insurance or a refund from the provider. In circumstances where an ongoing medical condition means that a child can no longer attend, if there is sufficient notice, the school will offer a refund if another student takes the place. We would not seek to exclude any child whose parents are unable to fund the costs of the visit due to genuine financial hardship. In cases of genuine financial difficulty, parents are invited to contact the headteacher/head of school/principal who may remit part or all of the charges. The headteacher/head of school/principal will agree the contribution the parents make, having due regard to the family's financial situation. In accordance with the Act, where a parent is in receipt of income support, family credit, disability working allowance or an income-based jobseeker's allowance, the school can remit the charges for board and lodgings or seek financial assistance for the parents from an outside agency. The

headteacher/head of school/principal will decide if an activity is financially viable. Where it seems likely that an activity may have to be cancelled, the headteacher/head of school/principal will inform parents.

7. Voluntary contributions

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents/carers to fund activities that would not otherwise be possible.

There is no obligation for parents/carers to make any contribution, and no child will be excluded from an activity if their parents/carers are unwilling or unable to pay.

If the school is unable to raise enough funds for an activity or visit then it will be cancelled.

8. Activities we charge for

The school will charge for the following activities:

- Educational residential and/or overseas visits

In each case the calculation of costs is overseen by the Head of School in liaison with the trip leader and the finance team.

For regular activities, the charges for each activity will be determined by the Head of School and reviewed in April each year. Parents/carers will be informed of the charges for the coming year in September.

9. Remissions

In some circumstances, the school may not charge for items or activities set out in sections 6 and 8 of this policy. This will be at the discretion of the governing board and will depend on the activity in question.

9.1 Remissions for residential visits

Parents/carers who can prove they are in receipt of any of the following benefits will be exempt from paying the cost of board and lodging for residential visits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit – provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190
- Working Tax Credit run-on – paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit – if you apply on or after 1 April 2018, your household income must be less than £7,400 a year (after tax and not including any benefits you get)
- Post 16 Bursary

10. Monitoring arrangements

The Head of School monitors charges and remissions, and ensures these comply with this policy.

This policy will be reviewed by the Head of School every year

At every review, the policy will be approved by the governing body.
